The Greater Edmonds Chamber of Commerce has been organizing community events since its inception in 1907. One of the most worthy events is the Edmonds 4th of July Parade and Fireworks.

The cost of the entire event is substantial and every year these costs are covered by sponsorships and donations by the business community and public at large. As difficult as it is to raise the needed funds every year, the Chamber believes this event is critical to the community feeling and civic pride that are woven into the fabric of Edmonds. To better address this ongoing dilemma the Chamber goes to our membership and the community once a year to ask for donations for this cause. The responsibility of organizing the 4th of July Celebration is logistically challenging. Despite those challenges, the Chamber, with your continued support, considers it a privilege and a real contribution to our way of life here in Edmonds.

Thank you for your support!
