## Align your business with this free family event by participating as a sponsor

The Northgate Chamber and the festival committee are currently seeking sponsorship for the annual Northgate Festival, which features a new location for 2010. We will be closing a portion of 103rd between Northgate Mall and the new Thornton Place for a street fair that will continue up into the plaza at Thornton Place. The festival will take place on Saturday, September 11, after all the summer festivals have finished, but while the weather is still great in the Pacific Northwest.

The value to those who participate goes beyond the exposure and sponsorship benefits — it includes the opportunity to be counted among a group of community leaders who are interested in the economic health and sense of community that makes up this vibrant North Seattle group of neighborhoods.

Northgate is home to Northgate Mall, North Seattle Community College and Northwest Hospital and Medical Center, as well as the newest development — Thornton Place — with its mix of restaurants, retail, residents and parks. The area includes Haller Lake, Licton Springs, Maple Leaf, Victory Heights, and the Pinehurst neighborhoods. Both a very busy Aurora Avenue and I-5 (with over 250,000 cars a day) past through the heart of Northgate.

The Northgate Chamber would like to celebrate all these assets along with the business community and organizations that serve the families that call this area home.

Further the Chamber is interested in creating an event that brings visitors from other areas to the Festival to discover all the great things Northgate has to offer.

As a marketing opportunity, the Northgate Festival will help your business:

- Create positive publicity, awareness & visibility
- Change or reinforces image and shape consumer attitude
- Drive retail traffic when traffic-building promotions are used
- Differentiate a product from competitors
- Promote your business' role as a "Good Corporate Citizen"
- Enhance VIP relations
- Provide social connectedness in the community with the added benefit of employee engagement

Thank you for your interest in what promises to be a memorable community event.
